SAVE OUR SCHOOLS Freeze School Closings!

School Trustees are scheduled to vote on school closings at a meeting on Wednesday, June 23.

AN INVITATION: *All parents, school staff, and members of the community are invited to gather at the offices of the Toronto District School Board:*

Wednesday, June 23, at 6 p.m.
Toronto District School Board
5050 Yonge St. (north of Sheppard)
At the North York Centre Subway Station

Let's tell School Trustees:

- 1. The school board's ARC "consultation" meetings about school closings have not provided a full and fair discussion of the issues.*
- 2. School closings are not good for students, including adult students.*
- 3. School closings are not good for communities.*
- 4. The provincial government promised to review the Funding Formula for Education this year - why the rush to close schools before the Funding Formula review is complete?*

It's time to FREEZE SCHOOL CLOSINGS!
